Material Safety Data Sheet (MSDS)

Product Name	Green Resin Grindstone

Manufacturer

Name	Huzhou Huatong Grinding Manufacturing Co., Ltd.
Venue	Hofu Industrial Park, Huzhou City
Tel	86-572-3733378
Fax	86-572-3733377

Section 1 - Material characteristics:

Chemical Name	(1) Unsaturated Resin (2) Silicone Powder (Inorganic)
Compounds	(1) Resin: 40-45%(by weight) (2) The main binders are: Si2O3 CaCO3 ZrO2 MgO 55%-60%(by weight)

Section 2 - Hazard Identification:

Not a hazardous item

Section 3 - First aid measures:

（1） Inadvertently into the eye: rinse with water, if eye irritation immediately seek medical attention.

（2） Contact skin: Do not need special measures in general.

（3） Inhalation of respiratory tract: this product is non-toxic ingredients, if necessary to seek medical treatment.

（4） Swallow into the digestive tract: this product is non-toxic ingredients, if necessary to seek medical treatment.

Section 4 - Fire protection measures:

All compounds of this product are non-flammable and do not require special fire fighting equipment

Section 5 - Accidental resolution:

Don't worry about accidents.

Section 6 - Handling and storage precautions:

（1） Handling: Avoid severe physical damage such as tapping and collision.
（2） Storage: Store in a dry place.

Section 7 - Exposure management measures/personal protection:

（1） Dustproof protection: If the operating place is dusty, attention must be paid to dust-proof protection.
（2） Eye protection: If necessary, wear protective glasses, generally no requirements.

Section 8 - Physical and chemical properties:

	Unsaturated resin	**Binding agent**
Shape	Yellow powder	Green solids
Melting point	75℃	300~500℃
Proportion	1.4-1.5	2.8
boiling point	/	/
Smells	None	None

Section 9 - Hazardous data:

Flammability: (no) Explosive :(no)

Dust explosive: (no) Ignitable :(no)

Combustible: (no) Oxidation :(no)

Section 10 - Toxicity and ecological information:

Erosion of skin: (no effect) Irritation :(no toxicity): (no)

Carcinogenicity: (no) Biodegradability :(no)

Soluble : (no)

Section 11 - Measures for handling after abandonment:

Chemical waste is disposed of in accordance with the national and regional regulations.

Section 12 - Product Transport Recommendations:

Prevent heavy pressure and percussion during transportation.

Section 13 - Other information

The contents included in this safety data sheet are only analyzed from the point of view of safety, so it is not a guarantee of the quality of our products.
