

WARNING!

Knives are dangerous tools if not used properly. This multi-tool uses extremely sharp blades and must be used with the utmost care and caution. Any use of your multi-tool other than its intended use is considered abuse and will void your warranty.

Do not put excessive sideways pressure on the Piranta blade. Do not cut so the Piranta blade twists or bends dramatically. Do not use excessive force with the Piranta blade trying to cut tough materials, doing so can cause the Piranta blade to break or snap off the handle. Do not use the Piranta blade to whittle, carve, or shave.

Only use the knife when the pliers are closed and the blade is locked in the open position. Replace the Piranta blade before it becomes dull. Do not open more than one tool at a time. Always ensure the Piranta blade is fully closed when not in use.

Keep this tool out of the reach of children! Properly dispose of used Piranta blades so they do not endanger children or pets.

Liability Waiver and Buyer's Responsibility

The purchase, use and ownership of knives are subject to a variety of state and local laws. It is impossible for Havalon® Knives to be aware of every restriction in every location in which this knife is used. It is the responsibility of the buyer to comply with all laws that apply in their area. You, and not Havalon® Knives, are solely responsible for any claims resulting from violation of laws and regulations. This knife is sold for legitimate sporting purposes only.

Satisfaction Guarantee

If you are not completely satisfied with this product for any reason, you may return it for a refund or credit within 60 days of purchase. Call Customer Service to arrange return of product. Dated proof of purchase may be required.

Instructions

Experience a New Kind of Sharp

You have purchased the Havalon Evolve, the world's first multi-tool featuring the Quik-Change replaceable blade system. The Evolve's ability to change blades and bits make it the perfect tool for whatever adventure lies ahead.

Attach a Blade

- Grip blade with pliers on top, away from edge. (1)

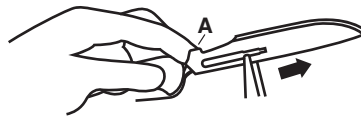

- Hold knife handle with blade fitment pointing up. (1)
- Place blade over fitment and engage in the slots. (2)

- Slide blade down slots until it clicks into position. If you don't feel it click at base, blade is not completely secure. Start over.

Remove a Blade

- Grip top of blade with pliers away from cutting edge.
- Lift heel of the blade at point “A” with the tip of your index finger, being careful to avoid cutting edge.

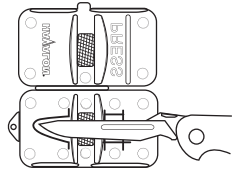

- Slide blade off fitment with pliers pulling away from handle.

Blade Remover

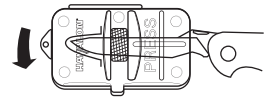

Step 1

Open remover and place blade in slot.

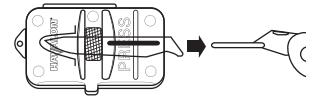

Step 2

Close remover around blade.

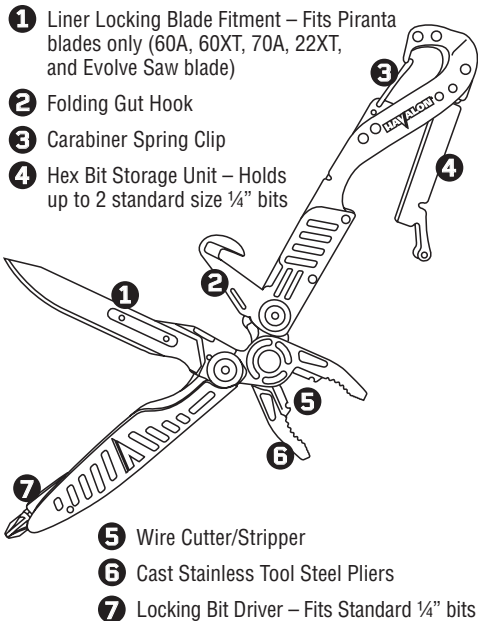

Step 3

Squeeze remover where it says PRESS and pull knife at the same time.

Only to be used with Piranta style blades.
